“Saraswati Mahabhage Vidye Kamalalochane Vidyaroope Vishaalaakshi Vidyam dehi namosthute”

Meaning : Salutation to the Goddess for bestowing upon me the best of knowledge and the ease of learning.

Benefit : Chanting this mantra with devotion on a regular basis can help get the desired knowledge to the fullest. Those who have difficulties with their learning can resort to this mantra as the ultimate solace.

ENSEMBLE FROM THE PRINCIPAL'S DESK

Dear Students & Parents,

Namaste!!

It is with great exuberance that we present our first Newsletter of 2026-27, a labour of love of our talented students, under the able guidance of their ever-supportive teachers.

2026-27 commenced with the welcome news of the stupendous results secured by our outgoing batch in the AISSE, 2025-26. It was an outcome of the hard work, efforts and dedication of both our extraordinary teachers and the prodigiously talented students. The commendable results set the tone for the year and we are certain that we shall continue conquering new bastions in the coming years. While success in academics is of paramount importance, it is also imperative to instil discipline in our young ones. While we love our children and rightly so, it is equally important to discipline them, correct them and guide them in their formative years. Small actions lead to big outcomes. Consistent efforts of instilling discipline through a carrot and stick policy will go a long way in creating conscientious, law-abiding citizens.The destiny of the nation will be determined by the quality of future citizens that we raise.

Dear students, aspire to become successful individuals but above all, exemplary human beings. Hold on to hope even in the most adverse times, as it is the flickering light that guides our way even through the darkest tunnel.

Hope, the tiny voice that says,
You are doing good,after a hard day.

It sits lightly on my shoulders,
Like a flickering candle on a holder.

Spreading its light on a dark day,
Dispelling the darkness, showing the way.

Hope is an eternal fountain amidst gloom,
Pouring succour in gloomy hearts, making room.

Hope, a harbinger of success bright,
Prodding us to always do our best, though success might take awhile

Wishes for a productive year ahead!!

Regards
Ms. Alpana Kala

CHAIRMAN'S MESSAGE

Dear Parents and Students,

Warm greetings to all Sindhians!!

It is a matter of great pride that our students consider this school as more than a place where lessons are taught. It is basically a community built on camaraderie, love, respect and values that are shaping them into wholesome individuals. Among these, discipline is one of the most important foundations of a successful school community. Punctuality, appropriate conduct, respect for teachers and peers, adherence to school rules and taking responsibility for one's actions are all expressions of discipline and these must be adhered to, not only by the students but also enforced by the parents, who have a major role to play in ensuring that students, while seeking independence, also realise the consequence of their actions and are able to rationalise, learn from their mistakes and make better choices the next time around. We seek your partnership in nurturing this quality. When a concern arises at school, we request parents to trust the school's processes and allow the appropriate channels to address it. Support does not always mean stepping in; sometimes, the greatest support is allowing a child to take responsibility, learn from an experience and find a way forward.

The world is moving at a faster pace and We also encourage our students to look beyond the familiar and the conventional. The world they are preparing to enter offers possibilities that extend well beyond traditional career choices. Entrepreneurship, technology, design, sports, the arts, research, social enterprise and many emerging fields offer meaningful avenues for talent and purpose. Let us give our children the freedom to discover where their abilities and interests can take them, rather than defining success by a predetermined path.

Our collective responsibility is to give them strong roots and wide horizons–the discipline to remain grounded, the courage to take responsibility and the curiosity to explore possibilities beyond the obvious.

When home and school move forward with trust and a shared purpose, our children are better prepared not merely to succeed, but to shape their own path with confidence and integrity.

Regards

Auspicious Beginnings, Bright Futures

A Grace-Filled Start to the Academic Year

Sri Satyanarayana Pooja, which is now an annual ritual, was conducted in the school premises on Friday, 29th May to seek the blessings of Sri Satyanarayana for the well-being and prosperity of the entire school community. The ceremony was attended by the Management, executives , staff members and students.

The devotional atmosphere, enriched by the chanting of hymns and the recitation of the Satyanarayana Katha, fostered a sense of peace, unity, and gratitude. The pooja concluded with the distribution of prasadam, leaving everyone spiritually uplifted and blessed.

New Beginnings, Fresh Smiles, and Endless Possibilities

Back to School: Welcoming a Year of Learning and Growth

25th May marked the arrival of our High School students, while 2nd June heralded the beginning of the academic year for our Pre-Primary, Primary and Middle School students.

With the commencement of the new academic year came fresh challenges, renewed enthusiasm and a vibrant atmosphere across the campus. The school buzzed with energy as students stepped into their classrooms with eager minds and bright smiles, ready to embark on a journey of learning, growth and discovery. The new year promises exciting opportunities, meaningful experiences and countless moments of achievement for the students.

WORKSHOPS
Growing professionally, inspiring students

May 21, 2026 marked the beginning of a new session, with teachers returning to work after the summer vacation break. The new academic year commenced on a productive note, with a series of workshops planned to enrich and empower educators.

One such initiative was a two-day workshop organized in our school auditorium on the theme "Ethics and Integrity." Faculty from various schools also participated in the programme, making it an engaging platform for collaborative learning and exchange of ideas.

The resource persons ensured that the sessions were both informative and enjoyable, creating a lively and interactive learning environment. The workshop was conducted under the aegis of the Capacity Building Programme of the CBSE Board, aiming to strengthen professional values and ethical practices among educators.

An initiative for this year is an on going personality development session for the entire staff by Ms. Prachi from J D Institute of design

Career Counselling Programme

Wednesday, 1st July 2026

Broadening Our Horizons (Career Counseling- Students Perspective)

Career counseling is a vital experience for every student; it broadens our horizons and paves the way for our future.

We students have reached the age where everyone starts asking us, "11th may kya le rahe ho, beta?" While a few have already decided, many of us remain confused about what different fields cover, the opportunities they open, and the kind of lifestyle they shape.

I greatly appreciate our school for being a guiding light through this dilemma that plagues so many of our minds. The recent career counseling session helped clear much of the cloud surrounding our future paths.

Chartered Accountancy is a fascinating field and I feel fortunate to have understood it in such depth. Our school invited respected Chartered Accountant, Mrs. Mahalakshmi Ma'am, to counsel the students of Classes 9 and 10. This was a fantastic opportunity to learn about the domain. She patiently explained the course structures, the study materials available, and the top institutions nationwide. Throughout the session, she motivated us and thoughtfully cleared all our doubts—inspiring quite a few of us to even consider shifting our focus toward this stream.

Charita, IXA

Congratulations and best wishes

We are delighted to congratulate Ms. Sugandha Lakshmi on her promotion as the Hindi Coordinator of our school.

With over three decades of experience, expertise, and dedication towards teaching, Ms. Sugandha Lakshmi has consistently inspired students and colleagues alike.

We wish her great success in this new role and look forward to her continued contributions to the growth and enrichment of our school community.

13th JUNE Parent Orientation Programme for Class 8 Parents

Ms. Meera Vikram Chabbria
Counselor

As per the mandate of the CBSE Board, a Parent Orientation Programme was conducted for the parents of Class 8 students at Sindhi High School, K K Road. The session was facilitated by counselor, Ms. Meera, with the objective of strengthening the partnership between parents and the school in nurturing students' overall development.

The programme focused on key aspects of adolescent growth, behavioural concerns, emotional well-being and academic progress. Ms. Meera shared valuable insights into understanding the challenges faced by children during their formative years and highlighted the crucial role parents play in providing a supportive and nurturing environment at home.

The interactive session encouraged parents to actively engage in their children's educational journey and offered practical strategies for fostering positive behaviour, resilience and effective communication.

THEATRE SKILLS

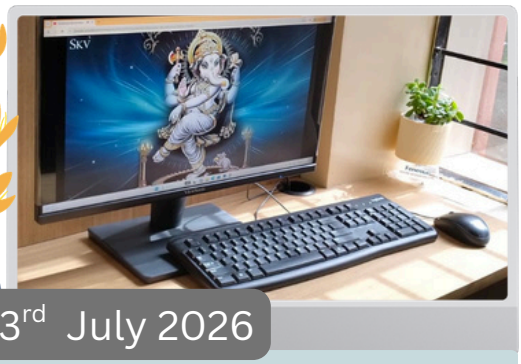

"**All the world's a stage, and all the men and women are merely players."** said Jacques in William Shakespeare's, *As You Like It.*
As the saying goes, *a bud nurtured well blossoms beautifully.* When creativity is encouraged at a young age, children grow into confident individuals who are ready to face the world with poise and purpose.
The newly introduced Theatre Workshop by Helen O Grady for Classes 3 and 4 at Sindhi High School, K K Road offers our young learners a wonderful opportunity to explore the world of drama, strengthen their communication skills, build self-confidence and unleash their creativity.
Perhaps one day, we will proudly watch a Sindhi High School, K K Road student, alumnus or alumna, walk the red carpet and receive the BEST ACTOR AWARD—a dream that begins with a child's very first step in the school stage.

INAUGURATION OF COMPUTER SCIENCE LOUNGE

3rd July 2026

Empowering Educators

Sindhi High School, K K Road inaugurated a dedicated staff room for the Computer Science Department. The new space has been thoughtfully designed to provide teachers with a comfortable and collaborative environment for planning, innovation, and professional growth.

The inauguration ceremony was attended by the Management, Principal, and Computer Science faculty members, who expressed their appreciation for this initiative.

Attendance That Takes Root

At Sindhi High School, K K Road regular attendance is now being celebrated in a truly meaningful way. In a unique initiative that blends academic commitment with environmental responsibility, every student who achieves 100% attendance during the academic year 2025-26 will have ten saplings planted in their name.
By linking attendance with afforestation, the school hopes to inspire students to value consistency, responsibility, and environmental stewardship. The saplings will stand as living symbols of perseverance, reminding students that just as trees flourish with care and patience, success too is built through regular effort and dedication.

ACTIVITY ROOOM

WONDERLAND

We feel thrilled to introduce newly designed vibrant space dedicated entirely to our youngest learners. Aptly named “Wonderland,” for tiny tots the space sparks curiosity, creativity and joyful learning. With colourful and engaging resources, the room provides children with opportunities to explore, experiment and express themselves through a variety of toys. Wonderland promises to make learning an enjoyable and enriching experience for our young learners.
We cannot wait to see the incredible things our little explorers will create and discover here!

RESOURCE ROOM

Blooming Buds

The refurbished Resource Room truly lives up to its name, a space dedicated to growth and learning, Designed to nurture curiosity and creativity, it provides students with a supportive environment where they can explore their potential, strengthen their skills and build confidence.
The inauguration of this facility marks yet another step in our school's commitment to inclusive education and academic excellence, ensuring that every learner has the support they need to flourish.

WELLNESS ROOM

INFIRMARY

The school’s Wellness Room has been thoughtfully equipped to provide students with a safe, comfortable and caring space whenever they need medical attention or a moment of rest. With essential facilities and a calm environment, the infirmary ensures that students’ health and well-being remain a priority. This initiative reflects the school’s commitment to creating a safe, nurturing and child-friendly learning environment.

ORIENTATION SESSIONS

To acquaint parents with our institution's remarkable achievements and the strategies planned for the academic year 2026–27, an orientation session was planned across all classes.
With CBSE introducing new concepts and educational initiatives each year, the session helps to keep parents informed and actively involved in their children's academic journey.
This proactive step was taken to ensure that parents and the school work together in preparing students for a successful future.
The programme received an overwhelming response, with a large number of parents in attendance. Their keen interest and active involvement made the event a great success.

WORLD ENVIRONMENT DAY CELEBRATION

5th June, 2026

"Inspired by Nature. For Climate. For Our Future."

World Environment Day was celebrated in our school with great enthusiasm and zeal. Eminent personality Shri. H R Jayaram, along with his team, was invited. Mr. Jayaram highlighted the importance of environmental conservation and sustainable living. He emphasized the need to protect nature and adopt eco-friendly practices for a better future.

The students showcased various environmental issues and their possible solutions through thought-provoking Nukkad Natak. Their performances effectively conveyed the message of preserving our planet and inspired the audience to take responsible action. Various Co- curricular activities were also conducted to create awareness among the children and encourage them to be a responsible citizen.

Overall, the programme was a great eye-opener, encouraging everyone to appreciate, protect and value our precious natural treasures for the well-being of future generations.

INTERNATIONAL MUSIC DAY AND YOGA DAY

The seamless transition of International Day of Yoga and World Music Day–both celebrated on June 21–highlights India's rich heritage. Both practices are deeply rooted in the nation's ethos and are scientifically proven to enhance physical health, emotional regulation,and cognitive integration.

Our School resonates well with these practices .Students created mellifluous music using musical instruments and showcased their musical prowess through beautiful renditions .

Yoga was performed under the able guidance of yoga master. The asanas performed by the students were a treat to the eyes.

A fresh and energetic beginning to a new day and year!!

The Sound of Serenity

Echoes of Om

At Sindhi High School, K K Road, we begin each day with the resonance of Omkara pervading our corridors. It is more than a ritual–it is a moment that unites every heart and mind before the day's learning begins.

When we chant Omkaara together, we are reminded to pause, breathe deeply, and centre ourselves.

The gentle vibrations of Omkara have a calming effect on the mind, helping us leave behind distractions and embrace the day with clarity and positivity. In a world filled with constant noise and hurried routines, these few moments of collective chanting offer a rare opportunity to cultivate mindfulness, focus, and inner strength.

As we walk into our classrooms each morning, the echoes of Omkara reminds us that education is not only about acquiring knowledge but also about nurturing character. When learning begins with peace, every challenge becomes manageable, and every day gives us an opportunity to become the best version of ourselves.

ROAD RACE

27th June , 2026

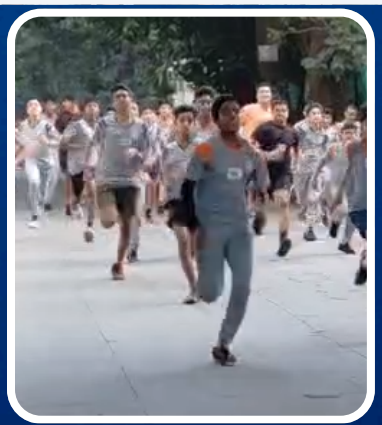

The First Step to Sporting Excellence.....

The Road Race marks the exciting beginning of the sports events at Sindhi High School, K K Road. Filled with energy, enthusiasm and team spirit, students race with determination to earn valuable points for their respective houses, making the event a true delight to witness.

A heartfelt thanks to our wonderful parent volunteers, whose vigilant support along the route ensures the safety and smooth conduct of the race.

VOICES OF CHANGE : MODEL UNITED NATIONS CONFERENCE

INTER-SCHOOL MUN

Sindhi High School, K K Road hosted the 2nd Edition of interschool Model United Nations (MUN) Conference, providing student participants of various schools with a platform to step into the role of global diplomats and deliberate on pressing international issues.

Representing various countries, delegates participated in thoughtful discussions, debates, and negotiations, demonstrating remarkable research skills, critical thinking, and public speaking abilities. The conference encouraged students to analyse global challenges from diverse perspectives while working collaboratively to propose meaningful solutions.

The event was a valuable learning experience that fostered leadership, diplomacy, and global awareness. Through spirited debate and constructive dialogue, students gained a deeper appreciation of international relations and the importance of cooperation in addressing the world's challenges.

JULY
04

First Parent–Teacher Meeting (PTM)

The first Parent–Teacher Meeting (PTM) of the academic year was held on 4 July 2026. Parents were warmly welcomed and had the opportunity to interact with teachers regarding their child's academic progress, strengths and areas for improvement.

The meeting fostered meaningful collaboration between parents and teachers, reinforcing the school's commitment to the holistic growth and success of every student.

SOARING TOWARDS SUCCESS: CAREER COUNSELLING SESSION

Sindhi High School, K K Road organised an inspiring career counselling session by Mr. Krish Munoyat, a proud alumnus and commercial pilot. Sharing his personal journey, he offered students valuable insights into the aviation industry, the qualifications required and career opportunities.

The interactive session motivated students to pursue their aspirations with confidence, and perseverance.

PLAY TIME FUN @ MALLESWARAM GROUNDS

Students from Classes V to X eagerly look forward to this time, when academics make way for games, laughter and bonding. The playground at Malleshwaram comes alive with children enjoying football, basketball, throwball, badminton and a variety of games.

CBSE READING MONTH

DIVE INTO BOOKS. RISE WITH KNOWLEDGE.

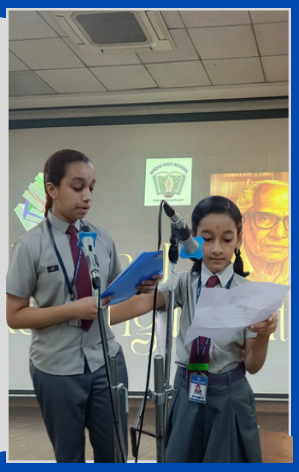

Reading is a lifelong habit that enriches minds, broadens perspectives and nurtures imagination, regardless of age. Every year, the CBSE observes Reading Month to foster a love for reading and encourage students to develop this invaluable habit.

At Sindhi High School, K K Road we are committed to promoting meaningful learning experiences that inspire young readers. In keeping with the spirit of the CBSE initiative, the school organized dedicated reading sessions for students across all classes. Age-appropriate books were thoughtfully selected from the school library, allowing students to immerse themselves in stories, biographies, adventures and informative texts that matched their interests and reading levels.

The Reading Month celebration was a wonderful reminder that every book opens the door to new ideas, new worlds and endless possibilities.

CHOOSING WELLNESS : ANTI-ADDICTION CAMPAIGN AT SCHOOL

Addiction is not good for a growing mind or a healthy life. To safeguard our youth, an impactful Anti-Addiction Campaign was conducted at school for the students of Classes 8, 9, and 10. The enriching session was addressed by the Sisters and Brothers of Brahma Kumaris.

Aligned with CBSE's strong belief in anti-addiction and well-being, the speakers guided students on the dangers of peer pressure and substance abuse. It empowered our students with tools for mental strength, self-discipline and positive decision-making.

KAUSHAL BODH

As part of the Kaushal Bodh initiative, students of Grade VI experienced the joy of growing their own garden. They participated in an interactive and informative session on vermi-compost conducted by Ms. Ashwini Srinivasan, who has been associated with the school as a parent. The students found the session very informative and helpful. The session helped curious young minds to understand and appreciate nature around us.

TIE AND DYE

As part of Kaushal Bodh, Grade VII students explored the traditional art of tie-and-dye, creating vibrant fabric designs through hands-on learning. The activity fostered creativity, patience, and appreciation for traditional crafts.

EDUCATIONAL VISIT TO GKVK – EXPLORING HYDROPONIC CULTIVATION

As part of the Kaushal Bodh project, the students of Class VIII had the enriching opportunity to visit the GKVK (Gandhi Krishi Vignana Kendra) campus to explore the fascinating world of hydroponic cultivation. The educational visit was organized in two batches of 60 students each on 8th July 2026 and 9th July 2026.

The visit sparked immense curiosity among the students as they discovered how plants can be grown without soil using nutrient-rich water solutions. Experts at the campus demonstrated the principles of hydroponic farming, explaining its advantages, different cultivation systems and its role in sustainable agriculture.

The visit proved to be an engaging and memorable learning experience, inspiring students to explore modern agricultural technologies and sustainable and healthy methods of food production.

32nd INTER-SCHOOL TABLE TENNIS TOURNAMENT

24th & 25th July 2026

SMASHING SUCCESS: INTER-SCHOOL TABLE TENNIS TOURNAMENT

Sindhi High School, K K Road successfully hosted the annual Inter-School Table Tennis Tournament, bringing together talented young players from various schools.

The tournament witnessed thrilling matches as participants competed with enthusiasm and resilience, showcasing exceptional agility and teamwork. The event not only celebrated sporting excellence but also fostered healthy competition, camaraderie, and mutual respect among the players.

The chief guest for the opening ceremony was Lawn Tennis player- Ms Saanika Videya Belagode. Mr Bharat Asrani- Chairman of Sports Committee, Sindhi Seva Samiti was the Chief Guest for the closing ceremony.
The tournament concluded with a prize distribution ceremony, applauding the outstanding performances of the winners and participants. It was a memorable sporting event that reflected the school's commitment to nurturing talent and promoting a culture of fitness and fair play.

Kargil Vijay Diwas

The Peaks They Conquered. The Legacy They Left.

Mr. Pradeep Nataraj

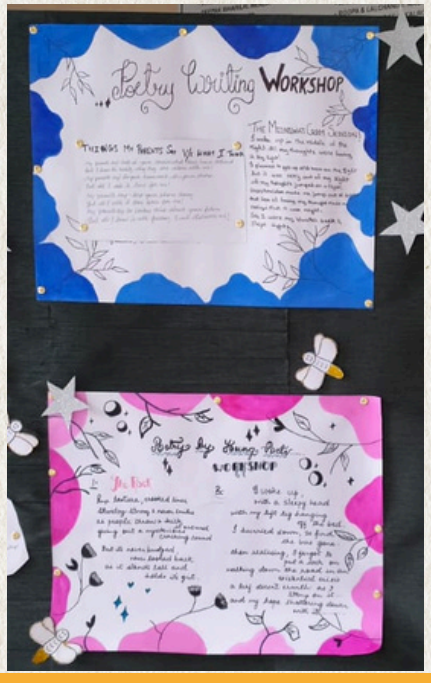

Twenty-seven years may have passed since the Kargil War, but the courage, sacrifice and patriotism of our brave soldiers continue to inspire every Indian. To commemorate Kargil Vijay Diwas and pay tribute to the valiant heroes who safeguarded our nation's sovereignty, a special programme was held at our school.

The event was graced by an eminent speaker from DISHA BHARAT-Mr. Pradeep, whose insightful address offered students a deeper understanding of the dedication, discipline and selfless service of the Indian Armed Forces–the Army, Navy and Air Force.

The programme also rekindled memories of the legendary Captain Vikram Batra, PVC, whose indomitable courage became a defining symbol of the Kargil War. His iconic words, "Yeh Dil Maange More!", uttered after a victorious mission, continue to echo through the years as a powerful reminder of the relentless spirit, determination and patriotism of India's soldiers..

POETRY WRITING WORKSHOP

WHERE THOUGHTS TURN INTO POETRY

A Poetry Writing Workshop was organised for interested students of Grades 8, 9 and 10 to nurture their creative expression and love for poetry. The session was conducted by the former English Coordinator of Sindhi High School, Hebbal,

Ms. Ramamani Sampath who inspired students to explore the art of writing poetry through engaging discussions and creative exercises.

The Moment of Calm
A Global Forgiveness Moment

MOMENT OF CALM

Where every leaf whispered forgiveness, and hearts found peace.

As part of the school's Moment of Calm initiative, a beautiful **Forgiveness Tree** was set up to celebrate the transformative power of forgiveness. Students and teachers came together to write heartfelt messages of forgiveness, gratitude and reconciliation, which were displayed on the tree.
The activity served as a gentle reminder that forgiveness is a profound act that brings peace, strengthens relationship and nurtures emotional well-being and positivity.

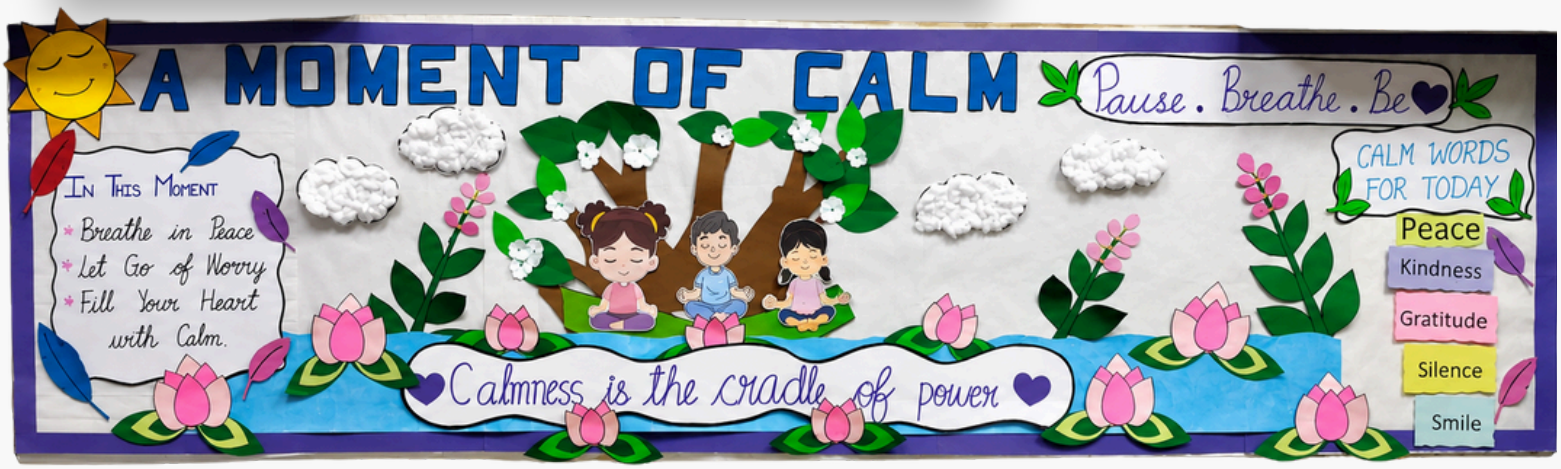

The Joy of Giving: Our Moment of Calm

As part of the Moment of Calm, our school celebrated the true spirit of charity. Students generously contributed pulses, grains and daily essentials to donate to local orphanages. This drive taught us that the joy of giving is greater than the pleasure of receiving. Thank you to every student and parent who helped spread these smiles!

INDEPENDENCE DAY CELEBRATIONS

Honor the past by shaping a better future for all.

Chief Guest: Col. Bheemaiah P S

The school celebrated India's 80th Independence Day with great patriotic fervour and enthusiasm. The celebration began with the hoisting of the National Flag, followed by the National Song and National Anthem.

Our esteemed Chief Guest, Col. Bheemaiah P S, inspired students to value freedom and uphold discipline, courage, responsibility and service to the nation. The celebration featured patriotic songs, dances, speeches and a captivating tableau portraying India's journey, unity and spirit of freedom.

The event concluded with a renewed sense of pride and gratitude, reminding everyone that freedom is both a right and a responsibility.

SOCIAL SCIENCE EXHIBITION

An Odyssey-India Over the centuries

A JOURNEY THROUGH TIME

Our talented young students brilliantly brought India's rich heritage to life at the recent Social Science Exhibition. Parents were invited to witness the spectacular displays, transforming the venue into a bustling, living museum. The exhibition featured everything from intricate tableaus of ancient empires to detailed 3D models.Through their extensive research, the students not only showcased vital milestones of Indian history but also demonstrated exceptional teamwork and public speaking skills, leaving parents and teachers deeply proud of our nation's diverse legacy.

H1N1 AWARENESS SESSION FOR PARENTS

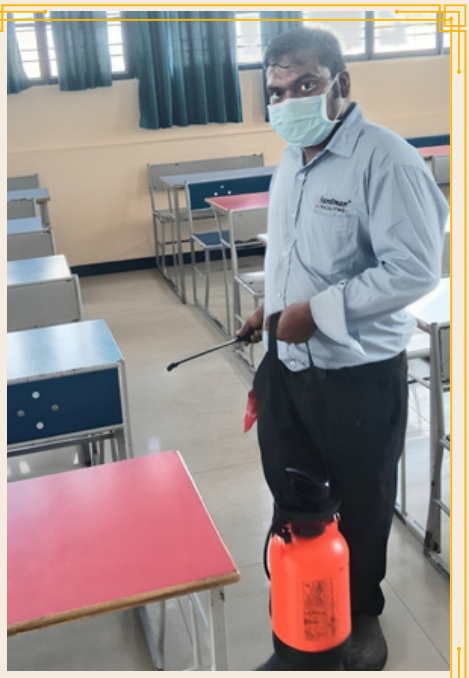

As part of the school's commitment to the health and well-being of our students and the wider school community, an H1N1 Awareness Session was organised for parents of students from Nursery to Grade 10.

With seasonal flu cases on the rise, the session aimed to create awareness about H1N1 influenza, its symptoms, modes of transmission, preventive measures, and the importance of timely medical attention.

The session was conducted by Dr. Chitra, Paediatrician, who shared valuable insights and practical guidance to help parents and children stay safe and healthy.

Parents were given the opportunity to attend the session in person at school or join virtually through a live link, ensuring that the important health information reached as many families as possible.

The session was a meaningful step towards strengthening awareness, encouraging responsible health practices, and fostering a safe and healthy school community.

FIRST AID SESSION FOR SCOUTS AND GUIDES

Sindhi High School organised an informative First Aid Session for the school's Scouts and Guides, conducted by Ms Chala, a supportive parent of the school. The session introduced students to essential first-aid techniques and the appropriate response to common emergencies.

It helped students learn the importance of staying calm, acting responsibly, and providing timely assistance, equipping our young volunteers with valuable life skills and the spirit of service and preparedness.

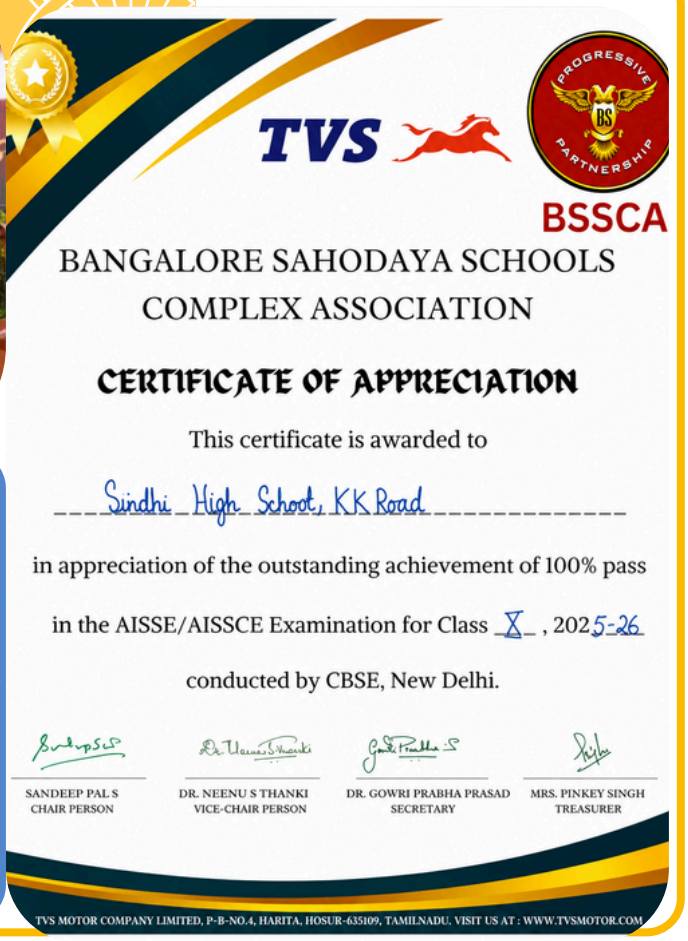

PROTSAHAN 2026 – Celebrating Academic Excellence

A moment of absolute pride for our school! Our 6 brilliant students have scored a perfect CENTUM in Sanskrit in the AISSE 2026 examinations. A certificate was also presented to the school for 100% results.
The Bangalore Sahodaya Schools Complex felicitated our achievers with certificates at Alliance University on August 8, 2026. Coordinator, Ms. Devna Dangwal, proudly collected the honours on behalf of the students.
Congratulations to our incredible students for this achievement!

MY OWN WORDS: AN EXPERIENCE OF A LIFETIME.

Participating in JNMUN has been one of the most memorable experiences of my life. Before the conference, I wasn't sure if I was ready for such a competitive platform. I even thought of not participating, but my mother and teachers encouraged me to believe in myself. Looking back, I am truly grateful that I took their advice.

Representing Israel was both challenging and exciting. It required thorough research, confidence, and the ability to defend my country's stance during committee sessions. Although it wasn't easy, the experience helped me grow as a speaker and a thinker.

One of the best parts of the conference was lobbying, where I interacted with delegates from different schools, exchanged ideas, and built alliances. Drafting my own Working Paper was another highlight, as it gave me a chance to contribute meaningfully to the committee. I also met many talented delegates, learned from their perspectives, and made wonderful memories throughout the conference.

I would like to express my sincere gratitude to my Chair and the Executive Board for conducting the committee so professionally and creating such a positive learning environment. Most importantly, I thank my mother and teachers for believing in me when I doubted myself.

Receiving the High Commendation (Second Place) along with a cash prize of ₹8,000 has made this experience even more special. More than the award, JNMUN has taught me to believe in myself, step out of my comfort zone, and embrace every opportunity with confidence. It is an experience that I will always cherish.

Date: 19th August 2026

Subject: Top 0.14% Globally: Official LQ Ideathon Invitation for Your Students

Dear Principal,

Greetings from LogIQids!

It is our privilege to congratulate you and the entire **Sindhi High School, KK Road** community on achieving a monumental milestone in educational excellence.

After a rigorous, multi-stage evaluation of over **22 lakh students from 3,500+ partner schools across 12+ countries** who took part in the LQ Logical Reasoning & Computational Thinking Program 2025-26, only the **top 0.14% of performers** have advanced to Stage 1 of the LQ Ideathon, putting them just one step away from the grand finale at IIT Bombay.

> We are proud to honour Sindhi High School, KK Road for earning the **Silver Citation**, an exclusive distinction awarded to only a select few among our 3,500+ participating schools. 4 students from your school have earned this prestigious recognition, highlighting the exceptional culture of critical thinking and problem-solving that your leadership continues to foster.

For the past decade, LogIQids has been driven by a singular mission: to empower children with the critical thinking skills required to navigate the future. While foundational knowledge is crucial, true brilliance lies in knowing how to apply it. As India's most coveted innovation platform, the LQ Ideathon serves as the ultimate arena for these exceptional minds to step beyond the classroom and solve real-world challenges through logic, creativity, and innovation.

More than just a citation this experience is a launchpad for the future. The calibre of our finalists is so high that last year, captivated judges extended exclusive internship opportunities to the brightest minds in the cohort.

Congratulations once again to you and the entire **Sindhi High School, KK Road** community. To formally celebrate this outstanding achievement, both the school and each qualifying student will receive an official certificate from IIT Bombay, which will be shared with you in the coming weeks. We look forward to honouring some of these exceptional young minds as finalists at the LQ Ideathon - IIT Bombay this December 2026.

With best wishes,

Mikin Lala
Founder, LogIQids

P.S. This invitation marks your students' entry into the Stage 1 Ideation Round. Progress to the final Presentation Round at IIT Bombay is strictly merit-based, with only the top 60 finalists shortlisted as per the LQ Ideathon 2026 criteria.

Dear Riddhi,

1. Thank you very much for your wonderful letter. Reading your thoughtful words truly made my day and reminded me why serving our nation in the Air Force has been the greatest honour of my life.

2. Keeping our skies safe takes teamwork, dedication and courage – values that I can already see in you. But serving our country isn't just about wearing a uniform; it starts right at home with how we treat others every single day.

3. Being a great person means showing kindness, helping those around you and always standing up for what is right. It also means taking pride in your commitment towards society – having a good civic sense by taking care of nature, keeping your surroundings clean, respecting public property and following rules that keep everyone safe. True patriotism is shown through these small, everyday acts of kindness.

4. Whether you dream of flying jets, becoming an astronaut, a doctor or anything else, you can achieve whatever you set your mind to, if you work hard, remain inquisitive, never give up and lead with a good heart. Keep aiming high, being a responsible citizen and making your parents and teachers proud. The future of our great nation rests on bright young people like you!

5. Wish you all the very best in life.

OUR WORDS. THEIR HONOUR.

Our Students of Class IX received a Letter of Appreciation from the Indian Air Force

It is a moment of immense pride and inspiration for Sindhi High School, KK Road. Our students have received an official letter of appreciation from Air Marshal S. Shrinivas, PVSM, AVSM, VM, Air Officer Commanding-in-Chief, Headquarters Training Command, Indian Air Force.

The letter was sent in response to a heartfelt letter written by our students to honor our nation's heroes on Kargil Vijay Diwas.

In his inspiring reply, the Air Marshal expressed his deep gratitude.

Adding to this wonderful gesture, along with the personalized letter, the students also received a special gift hamper from the Indian Air Force. For a student to receive an official, signed letter from a three-star Air Marshal, accompanied by such a thoughtful token of appreciation, is a rare and prestigious milestone that will inspire our students for the rest of their lives.

NEW INITIATIVE: TATA STUDI – EMPOWERING INDEPENDENT LEARNERS

This academic year, Sindhi High School introduced Tata Studi, a digital learning companion, for students of Grades 6 to 10. Developed by Tata ClassEdge, the app is built on the "Science of Learning" – breaking down chapters into short videos, notes, and summaries covering Mathematics, Science, History, Geography, and Civics, closely mapped to our CBSE curriculum.

The app's Adaptive Studi Planner recommends how much time a student should devote to each topic based on individual strengths and gaps, while spaced, repeated practice sessions help ensure concepts are truly retained, not just memorised. Progress-tracking features also give parents a gentle window into their child's learning journey, turning revision into a shared effort between home and school.

Since rollout, students have taken enthusiastically to the bite-sized video lessons and the "Big Idea" summaries that open each chapter – answering the age-old question, "Why does this matter?" Teachers have found it a valuable supplement for revision and doubt-clarification beyond school hours.

As Sindhi High School continues to embrace technology-enabled learning, Tata Studi marks one more step towards nurturing curious, confident, and independent learners.

INVESTOR AWARENESS PROGRAM

A comprehensive financial literacy workshop was recently organized for educators, focusing on two critical dimensions of personal finance: maximizing retirement benefits and navigating the stock market.The seminar aimed to provide participants with knowledge to secure their financial freedom and confidently grow their investments.

VOICES OF EXCELLENCE: TOPPER'S SPEAK

Consistency helped me ace my boards

As I started preparing for the board exams, I soon realised that consistency mattered much more than marathon study sessions. A study plan with one-hour slots and a 10-minute break in between could go a long way in helping us understand the study material with clarity. This also helps us retain our confidence by preventing us from feeling overwhelmed by the vast syllabus and reducing stress.

Another thing that isn't spoken about much, but I believe is of utmost importance, is making our own notes. Irrespective of all the notes available online, our own notes emerge as our saviour during the final revision, as they help us understand the concepts with a familiarity that is hard to find elsewhere. Furthermore, getting at least seven to eight hours of sleep every day is non-negotiable.

Solving previous years' question papers is a must to become familiar with the exam pattern, so that we don't feel unaccustomed while writing the exam. We also get a very good idea of the probable questions, and I highly recommend solving them once at least 75% of the syllabus is complete. With CBSE's increasing focus on competency-based questions, it is important to practise plenty of such questions from external sources, as well as from CBSE handbooks and NCERT Exemplar questions for maths.

In essence, consistency boosted my confidence, reduced stress, and helped me perform really well. My advice to juniors is simple: focus on steady effort, not endless hours, because small steps taken daily lead to big success.

CHAMPION CLASS: Hammonds Cricket Club players celebrate their victory

Hammonds clinch title

Bengaluru: Hammonds Cricket Club defeated Vultures CC by nine wickets to clinch the KSCA U-15 women's T30 title here.

Opting to bat, at the M Chinnaswamy Stadium, Vultures made a cautious start before S Deeksha was bowled by Lekisha Sendhil. Skipper Vaidehi Sudhir held up the other end and scored a patient 73-ball 55, but the rest of the Vultures batters failed to rise to the occasion as most of the Hammonds bowlers kept it tight. Vultures finished with 127/7.

KSCA WOMEN'S T30

In reply, the Hammonds' opening duo of Tamanna Sudesh (51 n.o) and Sahithya BP (43) batted Vultures out of the contest with their 105-run stand. Hammonds overhauled the target in 23 overs.

Brief scores: Vultures CC: 127/7 in 26 overs (Vaidehi Sudhir 55; Dhruthi Rao 2-22, Chiraga BA 2-7) lost to **Hammonds CC: 128/1 in 23 overs** (Tamanna Sudesh 51 n.o, Sahithya BP 43). TNN

In the U-17 girls' category, Naisha V of National Public School, Yelahanka, won the title, and Brenda from Sindhi High School, K K Road, secured the runner-up position.

In the U-14 boys' category, Rehan of National Public School, Yelahanka, clinched the title, while Aarav A from Sindhi High School, K K Road, secured the runner-up position.

In the U-17 boys' category, the title was won by Ritvik S of National Public School, Yelahanka, with Aadit Kirtivasan from Sindhi High School, K K Road, finishing as runner-up.

The tournament was a grand success, providing students with an excellent platform to showcase their skills, build confidence, and strengthen sportsmanship across schools.

70 & FABULOUS! SINDHJI SEVA SAMITI *Turns Up the Excitement for* ITS PLATINUM JUBILEE !

A JOURNEY OF 70 GLORIOUS YEARS OF SERVICE, SMILES & SPIRIT!

Bengaluru: Cue the drumrolls! The Platinum Jubilee bells are ringing, and Sindhi Seva Samiti is riding high on excitement as it prepares to celebrate a spectacular 70 years of service, smiles, and giving back – bigger, brighter, and better than ever!

From a small seed of an idea to a mighty tree of impact, the Samiti has spent seven glorious decades touching hearts and changing lives. And this jubilee year? It's an absolute non-stop carnival of good deeds, community love, and pure feel-good energy!

Beating the blazing summer sun like true champions, the Samiti splashed happiness everywhere with its refreshing Buttermilk Distribution Drive – a whole month of chilled, thirst-quenching cheer for commuters, traffic police, daily wage warriors, and everyday heroes across the city. Talk about spreading cool vibes!

Joining forces with the fabulous Lions Club, the Samiti threw open its doors for a super successful Blood Donation Camp on 24th April – with volunteers, staff, and the public rolling up their sleeves (literally!) to save lives and spread love, one drop at a time!

Talk about building dreams! The Samiti gave the Government School in Kavalbyrasandra a dazzling makeover through infrastructure development, grandly inaugurated in July – it's now a safer, happier, and buzzier space for little learners to shine.

Believing that dreams shouldn't wait for wallets to catch up, the Samiti rolled out generous scholarships for the needy – because every bright spark deserves a fair shot at greatness!

Going green never looked so exciting! The Samiti's zippy Tree Plantation Drive rewards every student clocking 100 per cent attendance with a fantastic 10 saplings each! Discipline meets Mother Nature – now that's a win-win worth celebrating!

And keeping tradition alive and thriving, the Samiti showered love on Gau Daan (cow), championing care and protection initiatives that keep India's rich cultural heartbeat going strong!

Adding a joyful family touch to the celebrations, the Srinivasa Kalyanotsavam saw an incredible turnout, with most Sindhi Seva Samiti members showing up bright and early in full strength – along with their families – for a morning brimming with devotion, festivity, and pure togetherness!

At the heart of this incredible journey are the Sindhi Group of Educational Institutions – proudly shaping over 6,000 bright young minds, from Nursery all the way to postgraduate level! Because here, education isn't just about scoring marks – it's about raising confident, kind-hearted changemakers who'll light up tomorrow!

Here's to 70 dazzling years of heart, hustle, and heaps of happiness – and here's to an even brighter, bolder journey ahead! Let the celebrations continue!

THE LEADER'S LENS: MY JOURNEY, MY VISION

HEAD GIRL

PRARTHANA
10 A

People think the hardest part of an election is giving speeches or asking for votes. For me, it wasn't. The hardest part was standing against one of my closest friends. Every day I'd hear people whisper, "Bro, I genuinely can't choose between you two." Instead of making me confident, it made me overthink everything. I'd go home wondering, "What if I don't make it? What if she wins? What happens to everything I've worked for?"

There were moments when my confidence completely disappeared, but I realized that leadership isn't about never being scared—it's about showing up anyway, to my best friend and fellow nominees.

So I stopped worrying about what everyone else was thinking and focused on being the best version of myself. I kept talking to people, listening to them and proving why I deserved the role instead of just saying I did. "Election Results Day", felt like the longest day ever. When my name was announced as Head Girl, it wasn't just a win—it was proof that believing in yourself has to be louder than your self-doubt. Looking back, I didn't just win an election. I learned how to compete with respect, stay true to myself and keep going even when fear was trying its best to convince me I'd already lost.

HEAD BOY

SACHIN KOTHARI
10 B

The exact moment Principal Alpana Ma'am pinned the Head Boy badge onto my uniform felt entirely surreal—like a distant dream finally taking shape. Walking down the school corridors today, I can sense a new found respect in the eyes of my peers and juniors alike. Looking in the mirror, I still see the same individual yet even more determined, trying to claim the collective hopes and expectations of our entire school community.

A surge of excitement rushes through me, about the immense responsibility I have just accepted. Standing on that stage was an empowering realization of the power I am exercising. I am no longer just a face in the morning assembly. I now have the privilege to write a meaningful chapter for all of us this year. Being Head Boy is not a mere title to display, but a profound commitment to guide my school with absolute dedication.

That feeling when my name was about to be announced as the Games Vice Captain — I felt nervous and excited at the same time. But after becoming one, the real responsibility and work began. Becoming a Parliamentarian had been a dream of mine throughout my school life and today, that dream has finally become a reality. Standing on the stage and delivering my speech gave me goosebumps and filled me with a sense of pride and excitement. This journey has helped me become more confident, open and approachable.

I carry this feeling of responsibility with me as I step forward to lead my House towards success this year. I truly do not want the promises I made in my speech to remain mere words. I want to turn them into actions and prove that I am worthy of the trust placed in me.

On the day the results were announced, my heart was pounding with anticipation. But when everyone began cheering and chanting my name, I could feel the immense trust and faith they had placed in me. That moment will always remain special, reminding me that being a leader is not just an honour—it is a responsibility.

Becoming the Vice Captain of Visvesvaraya House didn't happen with a big, dramatic moment. There was no huge problem for me to fix on my very first day. But almost immediately, younger students started coming up to me with all kinds of questions. They asked about house rules and upcoming events—things I didn't even realize I was supposed to know yet. That is when I realized that being a leader isn't about one big moment where you save the day. It is actually about the small, everyday things, even when no one is watching. People don't really tell you that when you get elected. You get the badge right away, but it takes a little time to truly feel the responsibility. Once it finally sinks in, it changes how you show up to school every single day.

MY JOURNEY AS A PARLIAMENTARIAN

When I received the Captain's Badge for the third consecutive year, I was on cloud nine. I felt a deep sense of pride, gratitude and, above all, responsibility. This badge is not merely a symbol of leadership; it is a reminder of the trust and confidence my teachers and friends have placed in me.

My journey as a parliamentarian has taught me that true leadership is about serving others, staying humble and leading by example. It has also taught me that life is a journey filled with ups and downs. Every competition, whether I win or lose, has helped me become more patient, resilient and determined to keep improving.

These experiences have shaped me into a more confident, disciplined and responsible person. As I begin another year as the Captain of Patel House, my vision is to contribute towards building a school where every student feels valued, respected and motivated to give their best.

Opportunities like these do not knock on our doors every day. When an opportunity comes your way, embrace it wholeheartedly and strive to be the best version of yourself—a role model and an inspiration to others.

The Red Folder That Changed Everything

The 23rd of June is a very special day to me. My friends and I were sitting in the main hall and honestly, at that point I had lost all hope of winning the school elections, after seeing my opponents. Then the Principal arrived with a red folder in her hand, which contained the results.

At that moment, my heart was racing, and I had never felt so nervous. Just after the captains of my house were announced, she called my name. The hall fell silent. I was completely blank. It took me around five minutes to recover and realize that this honour was mine.

Being a Vice Captain I have to lead by example, support my teammates and stay calm under pressure. Even though I did not expect such a high position, I am determined to prove myself worthy of it. I will work closely with all my fellow parliamentarians, and try to keep everyone motivated.

I am the Patel House Vice Captain, and I feel grateful for the trust placed in me. This role has made me more confident, disciplined and responsible. I will continue to do my best to make Patel House proud.

While I initially felt a mix of excitement and nervous anticipation, embracing this role has truly helped me grow in responsibility, confidence, and empathy. I have come to understand that leadership is not about commanding authority, but about listening actively, offering support, and collaborating effectively. I am incredibly proud to represent Vaswani House and am fully committed to making our house and school community proud."

Kaushal Bodh/Kaushal Vikas: Shape The Future With Confidence

“Discover your skills, believe in yourself, and shine beyond limits.”

In today’s rapidly changing world, education is not only about books and exams but also about understanding ourselves. This is where Kaushal Bodh, or awareness of our skills, becomes very important. It helps us recognize our strengths, improve our communication skills, develop team work and grow as confident individuals. Modern schools, as per the NCERT curriculum, focus on overall development so that learning becomes meaningful and practical. In our school, Kaushal Bodh is developed through various engaging activities such as group projects, presentations, and classroom discussions. Along with academics, these co-curricular activities give us the opportunity to explore our hidden talents and discover what we are truly good at.

Another important part of Kaushal Bodh is learning by doing. Through experiments, practical work, and hands-on activities, the concepts are understood better and we develop real-life skills. This type of learning is very interesting. Teachers also guide students to reflect on their learning by thinking about what they enjoy, what they do well, and where they can improve.

For example, a student who was once shy and afraid to speak in front of others got the opportunity to participate in a group presentation. With regular practice and encouragement from teachers, the student slowly gained confidence and learned to present ideas clearly. Over time, the same student began to actively participate in class discussions. This shows how Kaushal Bodh helps students discover their potential and grow into confident individuals.

Overall, Kaushal Bodh makes learning enjoyable, meaningful, and useful for life. It prepares us not only for exams but also for future challenges. It teaches us to believe in ourselves and continuously improve our abilities.

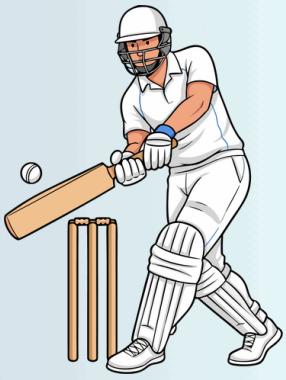

“When we understand our skills, we don’t just learn—we rise, we shine, and we create our own path to success.”

ECHOES OF CRICKET

The stadium roars under blinding white light,
As leather meets willow in beautiful flight.
The bowler charges down, fierce and bold,
While fielders stand ready in positions of old.
The batsman defends with a straight, steady blade,
As tactical boundaries carefully are laid.
A sudden sharp bouncer, a duck and a sway,
The mental chess match is well under way.
Then comes the great strike, a powerful blow,
The ball clears the ropes to the fans in the row.
A glorious sixer, the scoreboard ticks high,
As cheers from the grandstand erupt to the sky.
But tension returns with a spin of the ball,
A click of the bails brings a sudden downfall.
The umpire’s finger goes up in the air,
A mixture of triumph and silent despair.
From test match endurance to quick twenty-over games,
The sport crowns its heroes and echoes their names.
With handshakes of honor when daylight is gone,
The spirit of cricket keeps marching right on.

ALL ROLES, ONE PURPOSE

A school is much more than its classrooms and buildings—it is a community where every individual has a meaningful role. From students to teachers, coordinators, the Vice Principal, and the Principal, each person contributes in a unique way. When everyone works with the same purpose, the school becomes a place where learning and growth flourish.

Students are at the heart of the school. Their curiosity, enthusiasm, creativity, and willingness to learn bring life to every classroom. Every question they ask, every challenge they overcome, and every achievement they celebrate, adds to the spirit of the school.

Teachers do far more than teach lessons. They inspire confidence, encourage critical thinking, nurture values, and help students discover their potential. Through their patience, dedication, and care, they shape not only academic success but also responsible and compassionate individuals.

Behind the scenes, coordinators ensure that the school functions efficiently. They plan academic schedules, organize events, support teachers, and manage countless details that keep daily operations running smoothly. Their careful coordination allows learning to happen without interruption.

The Vice Principals serve as a vital link between students, teachers, coordinators, and the Principal. By providing guidance, addressing concerns, and ensuring that policies are carried out effectively, the Vice Principal helps maintain harmony and discipline throughout the school.

The Principal provides the vision that guides the entire institution. Through thoughtful leadership, wise decision-making, and a commitment to excellence, the Principal creates an environment where students can thrive, teachers can excel, and the school can continue to grow.

This spirit of teamwork was recently seen in action with the successful conduct of the School MUN and the Table Tennis Tournament. Both events were made a grand success through the dedicated efforts of student volunteers, school council members, and staff working hand in hand. Their combined enthusiasm and coordination stand as a true reflection of what this shared purpose can achieve—and they are only the beginning, with many more such events planned ahead.

Although responsibilities differ, the purpose remains the same—to create a nurturing, inspiring, and successful learning community. No role is greater than another; each one strengthens the whole.

When every member of the school community works with respect, trust, and shared commitment, success becomes a collective achievement. Together, we are not simply running a school—we are shaping futures, building character, and creating a place where every individual can succeed.

Keeping the beat on the drums and the crease on the pitch

I Jaanvi Premnath from class 8'A', would like to share a couple of my interests that are helping me shape into a better individual - drums and cricket. Both these skills have helped me in academic learning and develop passion and interest in sports and music.

I started learning drums in the year 2022 from WMC (World Music Conservatory), Malleswaram. My first teacher, Mrs. Priya Andrew is Karnataka's first female drummer. I am very thankful to her for teaching me for about 4.5 years. I have been learning to play drums for 6 years now and have completed 3 levels of drums examination (Initial, Grade 1 and Grade 2).My favourite band is Metallica. I have performed in many cultural fests conducted by WMC and have also performed for a few events in my school. I am thankful to the school and my teachers for supporting my talent.

I am also learning to play cricket. I started learning cricket from the age of 9. My first coach really helped me understand the basics of cricket. I gained interest because of my dad who loves all sports. Everyday cricket practice involves me waking up at 5am and practicing for 2 hours till 7am and then ensuring to get to school on time. This routine has helped me to bring a certain amount of discipline in my lifestyle - putting my things in the right place, ensuring to eat healthy food, keeping up time and teamwork. There are days where I don't feel like getting up, but thanks to my parents, I wake up motivated every day and I strongly believe I have a long way to go. I have had the opportunity to play tournament matches across Bangalore. There is one quote told by my captain Sheetal Santosh "The battle is not fought on the field with a bat on the ground, but it is fought in your mind with yourself" unquote. This quote always keeps me encouraged.

From Awareness to Action

I love nature. I have learnt and seen that is getting polluted. We humans are contributing more in its destruction. So I always wanted to do something for Mother Nature. In the meantime, my teacher Madam Sangeeta Maheshwari motivated me to participate and encourage others in the green initiative in our school. We took up the task of building eco bricks and bio enzymes. I wanted to tell everybody about nature awareness. So I chose to write a book. My mother's cousin Mrs Pratima Pai (who is also a teacher), always wanted me to write a book. So I took this opportunity to write a book on this subject and share my personal experiences.

I wish everyone reads this book. I want all to plant trees and preserve our nature. If we do this, it will be very good for our health and our future generation. I don't want to be famous by writing book. My goal is bigger. My dream is to see a greener world where we can all breathe freely. Thankyou!

अनुशासन

"अनुशासन" यह एक आम बात है जिसका हम अपने दैनिक जीवन में पालन करते हैं, जैसे कॉलेज, स्कूल आदि। अनुशासन का अर्थ सभी जानते हैं, लेकिन मैं इसका अर्थ बताना चाहूँगी, जो है अपने मन व्यवहार के विशिष्ट नियमों का पालन करने और कुशलतापूर्वक कार्य करने के लिए प्रशिक्षित करने का अभ्यास। कुछ लोग अनुशासन बनाए रखने में सक्षम नहीं होते हैं, इसलिए आपको धीरे-धीरे काम शुरू करना चाहिए, फोन या अन्य चीजों से ध्यान भटकने से बचना चाहिए और अंत में किसी किताब या ऐप की मदद से इसे करना चाहिए।

अनुशासन क्यों महत्वपूर्ण है? यह क्षणिक इच्छाओं को निरंतर दैनिक कार्यों में परिवर्तित करके हमारे लक्ष्यों और उपलब्धियों के बीच की खाई को पाटता है।

एक विद्यार्थी के जीवन में अनुशासन क्यों महत्वपूर्ण है? यह विद्यार्थी के जीवन का इंजन है क्योंकि यह दैनिक आदतों के माध्यम से उसकी क्षमता को सफलता में परिवर्तित करता है। यह डिजिटल विकर्षणों से मुक्ति दिलाता है, अंतिम समय में रहने के तनाव को दूर करता है और भविष्य के करियर के लिए आवश्यक जवाबदेही का निर्माण करता है।

अतः अनुशासन किसी छात्र को सीमित नहीं करता, बल्कि उन्हें सशक्त बनाता है। यह हमारे जीवन का एक महत्वपूर्ण हिस्सा है, चाहे हम छात्र हों, शिक्षक हों या आम लोग हों। रोजमर्रा की जिंदगी में अनुशासन वास्तव में हमारे सफल जीवन के लिए मायने रखता है। इसलिए आज से या वास्तव में अभी से ही काम शुरू कर दें क्योंकि आप ही अपने जीवन के एकमात्र इंजीनियर हैं जिन्हें आपको सफल बनाना है।

अनुशासन ही सफलता की कुंजी है और नए अवसरों का द्वार खोलती है। मैं फिर इस प्रेरक कथन के एक समान बात कहना चाहूँगी,

"अनुशासन ही लक्ष्यों और उपलब्धियों के बीच का सेतु है।"

इसका अर्थ है कि किसी लक्ष्य की कामना करना ही पर्याप्त नहीं है, उसे वास्तव में प्राप्त करने के लिए आपको प्रतिदिन व्यवस्थित कार्रवाई करनी होगी।

बागीचे का तापमान आज बड़ा सुहाना था,
बच्चे फूलों को देखकर बोले – "वाह! क्या ज़माना था!" ॥1॥

पाठशाला के छात्र भी जुड़ते चले गए,
शिक्षक फूलों के गुण हँसते-हँसते समझाने लगे। ॥2॥

बच्चे समझकर घर पर माता-पिता को समझाने लगे,
माता-पिता बोले – "वाह! अब तो बच्चे हमें भी पढ़ाने लगे!" ॥3॥

फूल और काँटे के बीच का अंतर बड़ा सुहाना था,
फूल मुस्कुराता रहता, काँटा उसका रखवाला था। ॥4॥

सबसे महँगी चीज़

समय हमारे जीवन की सबसे मूल्यवान चीज़ों में से एक है। यह हमें बिना किसी कीमत के मिलता है, फिर भी हम अक्सर इसकी महत्ता नहीं समझते। हम पैसे दोबारा कमा सकते हैं, वस्तुएँ फिर खरीद सकते हैं और अपनी गलतियों को सुधार सकते हैं, लेकिन बीता हुआ समय कभी वापस नहीं ला सकते। कल्पना कीजिए कि कोई बैंक हर सुबह आपके खाते में ₹86,400 जमा करे, लेकिन दिन के अंत तक बचा हुआ पैसा समाप्त हो जाए। वास्तव में हमें भी हर दिन 86,400 सेकंड मिलते हैं, पर हम उनमें से बहुत-सा समय बिना सोचे-समझे बर्बाद कर देते हैं। हम अक्सर कहते हैं, "मैं यह बाद में करूँगा," चाहे वह पढ़ाई हो, गृहकार्य हो या कोई ज़रूरी काम।

समय हमें सिखाता है कि एक बार बीत जाने के बाद उसे वापस नहीं पाया जा सकता। इसलिए समय का सही उपयोग करना बहुत आवश्यक है। इसका अर्थ हर समय व्यस्त रहना नहीं, बल्कि महत्वपूर्ण कार्यों को प्राथमिकता देना है। प्रतिदिन कुछ समय पुस्तक पढ़ने, कुछ नया सीखने, पढ़ाई दोहराने या किसी की सहायता करने में लगाना भी बड़ा बदलाव ला सकता है। छोटे-छोटे प्रयास नियमित रूप से किए जाएँ, तो वे आगे चलकर बड़ी उपलब्धियों का कारण बनते हैं। हमें भविष्य की चिंता या अतीत के पछतावे में समय गँवाने के बजाय वर्तमान का पूरा लाभ उठाना चाहिए। जैसा कि कहा जाता है, "समय और ज्वार किसी की प्रतीक्षा नहीं करते।"

अंततः समय भले ही हमें मुफ्त में मिलता है, लेकिन उसका मूल्य अनमोल है। हर बीता हुआ सेकंड हमारे जीवन का ऐसा हिस्सा है जिसे हम कभी वापस नहीं पा सकते। इसलिए "मैं बाद में करूँगा" कहने के बजाय हमें अपने समय का सम्मान करना, उसका सदुपयोग करना और हर पल को सार्थक बनाना सीखना चाहिए। आखिरकार, शुरुआत करने का सबसे अच्छा समय अभी है।

ಇತಿಹಾಸದ ಹೆಜ್ಜೇಗುರುತುಗಳು

ಕರ್ನಾಟಕದ ರಾಜಧಾನಿಯಾದ **ಬೆಂಗಳೂರು** ಇಂದು ಜಗತ್ತಿನ ಪ್ರಮುಖ ತಂತ್ರಜ್ಞಾನ ನಗರಿಗಳಲ್ಲಿ ಒಂದಾಗಿದೆ. ಇದರ ಇತಿಹಾಸವು ಅತ್ಯಂತ ರೋಮಾಂಚನಕಾರಿ ಹಾಗೂ ಸಮೃದ್ಧವಾಗಿದ್ದು, ನೂರಾರು ವರ್ಷಗಳ ರಾಜಕೀಯ, ಸಾಂಸ್ಕೃತಿಕ ಮತ್ತು ಆರ್ಥಿಕ ಸ್ಥಿತ್ಯಂತರಗಳನ್ನು ಒಳಗೊಂಡಿದೆ.

ಆರಂಭಿಕ ಇತಿಹಾಸ ಮತ್ತು ಹೆಸರಿನ ಉಲ್ಲೇಖ.

ಬೆಂಗಳೂರಿನ ಇತಿಹಾಸವು ೯ನೇ ಶತಮಾನದಷ್ಟು ಹಳೆಯದಾಗಿದೆ. ನಗರದ ಸಮೀಪವಿರುವ ಬೇಗೂರಿನಲ್ಲಿ ಸಿಕ್ಕಿರುವ ಕ್ರಿ.ಶ. ೮೯೦ರ ವೀರಗಲ್ಲು ಶಾಸನದಲ್ಲಿ 'ಬೆಂಗಳೂರು' ಎಂಬ ಹೆಸರಿನ ಮೊದಲ ಲಿಖಿತ ಉಲ್ಲೇಖ ಸಿಗುತ್ತದೆ. ಜನಪದ ಕಥೆಯ ಪ್ರಕಾರ, ಹೊಯ್ಸಳ ರಾಜ ವೀರಬಲ್ಲಾಳನು ಕಾಡಿನಲ್ಲಿ ದಾರಿ ತಪ್ಪಿದಾಗ ವೃದ್ಧೆಯೊಬ್ಬಳು ಅವನಿಗೆ ಬೆಂದ ಕಾಳನ್ನು (ಬೇಯಿಸಿದ ಅವರೆಕಾಳು) ತಿನ್ನಲು ನೀಡಿದಳಂತೆ. ಅದಕ್ಕೆ ಕೃತಜ್ಞತೆಯಾಗಿ ಆ ಸ್ಥಳಕ್ಕೆ 'ಬೆಂದಕಾಳೂರು' ಎಂದು ಹೆಸರಿಟ್ಟನು, ಅದೇ ಮುಂದೆ 'ಬೆಂಗಳೂರು' ಆಯಿತು ಎಂಬ ಪ್ರತೀತಿ ಇದೆ.
ಆಧುನಿಕ ಬೆಂಗಳೂರಿನ ಸಂಸ್ಥಾಪಕ ಕೆಂಪೇಗೌಡರು
ಹೊಯ್ಸಳರು, ಗಂಗರು ಮತ್ತು ಚೋಳರ ಆಳ್ವಿಕೆಯ ನಂತರ, ಕ್ರಿ.ಶ. ೧೫೩೭ರಲ್ಲಿ ಯಲಹಂಕ ನಾಡಪ್ರಭು ಕೆಂಪೇಗೌಡರು ಆಧುನಿಕ ಬೆಂಗಳೂರನ್ನು ನಿರ್ಮಿಸಿದರು. ಅವರು ಇಲ್ಲಿ ಮಣ್ಣಿನ ಕೋಟೆಯನ್ನು ಕಟ್ಟಿ, ಅದರ ಸುತ್ತಲೂ ವ್ಯಾಪಾರ ವಹಿವಾಟು ನಡೆಸಲು ವಾಣಿಜ್ಯ ಪೇಟೆಗಳನ್ನು ನಿರ್ಮಿಸಿದರು. ಇಂದು ನಾವು ಕಾಣುವ ಚಿಕ್ಕಪೇಟೆ, ದೊಡ್ಡಪೇಟೆ, ಬಳೇಪೇಟೆಗಳು ಕೆಂಪೇಗೌಡರು ಅಂದೇ ಯೋಜಿಸಿದ ಮಾರುಕಟ್ಟೆಗಳಾಗಿವೆ. ನಗರದ ಸುರಕ್ಷತೆಗಾಗಿ ಮತ್ತು ಭವಿಷ್ಯದ ಬೆಳವಣಿಗೆಯ ಗಡಿಯಾಗಿ ಅವರು ನಾಲ್ಕು ದಿಕ್ಕುಗಳಲ್ಲಿ ನಾಲ್ಕು ಸುಂದರ ಕೆಂಪೇಗೌಡ ಗೋಪುರಗಳನ್ನು ನಿರ್ಮಿಸಿದರು. ಜೊತೆಗೆ, ನಗರದ ನೀರಿನ ದಾಹವನ್ನು ತಣಿಸಲು ಧರ್ಮಾಂಬುಧಿ (ಇಂದಿನ ಕೆಜಿ ಬಸ್ ನಿಲ್ದಾಣ), ಹಲಸೂರು ಮುಂತಾದ ಕೆರೆಗಳನ್ನು ತೋಡಿಸಿದರು.
ವಿಜಯನಗರದ ಪತನ ಮತ್ತು ಮೈಸೂರು ಒಡೆಯರ ಆಳ್ವಿಕೆ ವಿಜಯನಗರ ಸಾಮ್ರಾಜ್ಯದ ಪತನದ ನಂತರ, ಬೆಂಗಳೂರು ಬಿಜಾಪುರದ ಸುಲ್ತಾನರು, ಮರಾಠರು ಮತ್ತು ಮೊಘಲರ ಕೈ ಬದಲಾಯಿತು. ಕೊನೆಗೆ ಕ್ರಿ.ಶ. ೧೬೮೭ರಲ್ಲಿ ಮೈಸೂರು ಒಡೆಯರು ಇದನ್ನು ಮೊಘಲರಿಂದ ಕೊಂಡುಕೊಂಡರು. ೧೮ನೇ ಶತಮಾನದಲ್ಲಿ ಹೈದರಾಲಿ ಮತ್ತು ಅವನ ಮಗ ಟಿಪ್ಪು ಸುಲ್ತಾನ್ ಈ ಪ್ರದೇಶದ ಮೇಲೆ ನಿಯಂತ್ರಣ ಸಾಧಿಸಿದರು. ಟಿಪ್ಪು ಸುಲ್ತಾನ್ ಬೆಂಗಳೂರಿನ ಮಣ್ಣಿನ ಕೋಟೆಯನ್ನು ಕಲ್ಲಿನ ಕೋಟೆಯಾಗಿ ಬಲಪಡಿಸಿದನು ಮತ್ತು ಪ್ರಸಿದ್ಧ ಲಾಲ್‌ಬಾಗ್ ವೃಕ್ಷೋದ್ಯಾನವನ್ನು ಅಭಿವೃದ್ಧಿಪಡಿಸಿದನು.

ಬ್ರಿಟಿಷರ ಆಗಮನ ಮತ್ತು ಕಂಟೋನ್ಮೆಂಟ್ ಬೆಳವಣಿಗೆ.

೧೭೯೯ರ ನಾಲ್ಕನೇ ಮೈಸೂರು ಯುದ್ಧದಲ್ಲಿ ಟಿಪ್ಪು ಸುಲ್ತಾನ್ ಮರಣದ ನಂತರ, ಬ್ರಿಟಿಷರು ಬೆಂಗಳೂರನ್ನು ತಮ್ಮ ಹತೋಟಿಗೆ ತೆಗೆದುಕೊಂಡರು. ಬ್ರಿಟಿಷರು ತಂಗಲು ೧೮೦೯ರಲ್ಲಿ ಬೆಂಗಳೂರಿನಲ್ಲಿ ಸೈನಿಕ ದಂಡು ಅಥವಾ 'ಕಂಟೋನ್ಮೆಂಟ್' ಪ್ರದೇಶವನ್ನು ಸ್ಥಾಪಿಸಿದರು. ಇದರ ಪರಿಣಾಮವಾಗಿ ಹಳೆಯ ಬೆಂಗಳೂರು (ಪೇಟೆ ಪ್ರದೇಶ) ಸಾಂಪ್ರದಾಯಿಕವಾಗಿಯೇ ಉಳಿದರೆ, ಹೊಸ ಕಂಟೋನ್ಮೆಂಟ್ ಪ್ರದೇಶವು ಪಾಶ್ಚಾತ್ಯ ಸಂಸ್ಕೃತಿಯೊಂದಿಗೆ ಆಧುನಿಕವಾಗಿ ಬೆಳೆಯಿತು. ೧೮೮೧ರಲ್ಲಿ ಮೈಸೂರು ಮಹಾರಾಜರಾದ ಹತ್ತನೇ ಚಾಮರಾಜೇಂದ್ರ ಒಡೆಯರ್ ಕಾಲದಲ್ಲಿ ಬೆಂಗಳೂರು ಅರಮನೆ ನಿರ್ಮಾಣವಾಯಿತು. ಕ್ರಿ.ಶ. ೧೯೦೬ರಲ್ಲಿ ಏಷ್ಯಾದಲ್ಲೇ ಮೊದಲ ಬಾರಿಗೆ ವಿದ್ಯುತ್ ದೀಪಗಳನ್ನು ಪಡೆದ ಹೆಗ್ಗಳಿಕೆ ಬೆಂಗಳೂರಿನದ್ದಾಯಿತು.

ಸ್ವಾತಂತ್ರ್ಯೋತ್ತರ ಭಾರತದ 'ಸಿಲಿಕಾನ್ ಸಿಟಿ'.

೧೯೪೭ರಲ್ಲಿ ಭಾರತಕ್ಕೆ ಸ್ವಾತಂತ್ರ್ಯ ಬಂದ ನಂತರ, ಬೆಂಗಳೂರು ಮೈಸೂರು ರಾಜ್ಯದ (ನಂತರ ಕರ್ನಾಟಕ) ರಾಜಧಾನಿಯಾಯಿತು. ಭಾರತ ಸರ್ಕಾರವು ಹೆಚ್.ಎ.ಎಲ್ (HAL), ಬಿ.ಇ.ಎಲ್ (BEL), ಬಿ.ಹೆಚ್.ಇ.ಎಲ್ (BHEL) ಮತ್ತು ಇಸ್ರೋ (ISRO) ನಂತಹ ಪ್ರಮುಖ ಸಾರ್ವಜನಿಕ ವಲಯದ ಉದ್ಯಮಗಳು ಹಾಗೂ ಸಂಶೋಧನಾ ಸಂಸ್ಥೆಗಳನ್ನು ಇಲ್ಲಿ ಸ್ಥಾಪಿಸಿದರು. ೧೯೮೦ ಮತ್ತು ೯೦ರ ದಶಕಗಳಲ್ಲಿ ಮಾಹಿತಿ ತಂತ್ರಜ್ಞಾನದ (IT) ಕ್ರಾಂತಿ ಆರಂಭವಾಗಿ, ಇನ್ಫೋಸಿಸ್ ಮತ್ತು ವಿಪ್ರೋದಂತಹ ದೈತ್ಯ ಕಂಪನಿಗಳು ಇಲ್ಲಿ ತಲೆಎತ್ತಿದವು. ಇಂದು ಬೆಂಗಳೂರು ಜಗತ್ತಿನ ಪ್ರಮುಖ ಸ್ಟಾರ್ಟ್-ಅಪ್ ಹಬ್ ಆಗಿದ್ದು, 'ಭಾರತದ ಸಿಲಿಕಾನ್ ವ್ಯಾಲಿ' ಮತ್ತು 'ಉದ್ಯಾನ ನಗರಿ' ಎಂದು ಹೆಮ್ಮೆಯಿಂದ ಕರೆಯಲ್ಪಡುತ್ತದೆ.

ಆರೋಗ್ಯಕರ ಜೀವನಕ್ಕೆ ಯೋಗ

ಯೋಗವು ನಮ್ಮ ಶರೀರವನ್ನು ಸದೃಢವಾಗಿ ಮತ್ತು ಆರೋಗ್ಯವಾಗಿ ಇಡಲು ಸಹಾಯ ಮಾಡುತ್ತದೆ. ನಾವು ದಿನನಿತ್ಯ ಯೋಗಾಸನಗಳನ್ನು ಮಾಡುವುದರಿಂದ ನಮ್ಮ ಸ್ನಾಯುಗಳು ಮತ್ತು ಕೀಲುಗಳು ಬಲಗೊಳ್ಳುತ್ತವೆ. ಇದು ಇಡೀ ದೇಹದಲ್ಲಿ ರಕ್ತಸಂಚಲನವನ್ನು ಉತ್ತಮಗೊಳಿಸಿ, ನಮ್ಮನ್ನು ದಿನವಿಡೀ ಚುರುಕಾಗಿ ಮತ್ತು ಉತ್ಸಾಹದಿಂದ ಇರುವಂತೆ ಮಾಡುತ್ತದೆ. ಇದು ಕೇವಲ ದೇಹಕ್ಕೆ ಮಾತ್ರವಲ್ಲದೆ ನಮ್ಮ ಮನಸ್ಸಿಗೆ ಅಪಾರ ಶಾಂತಿಯನ್ನು ನೀಡುತ್ತದೆ. ಯೋಗದಲ್ಲಿ ಮಾಡುವ ಆಳವಾದ ಉಸಿರಾಟದ ಪ್ರಕ್ರಿಯೆಯು ನಮ್ಮ ಮೆದುಳನ್ನು ಪ್ರಶಾಂತಗೊಳಿಸುತ್ತದೆ. ಇದರಿಂದ ದೈನಂದಿನ ಒತ್ತಡ, ಆತಂಕ ಮತ್ತು ಕೋಪ ಕ್ರಮೇಣ ಕಡಿಮೆಯಾಗಿ, ಮನಸ್ಸಿನಲ್ಲಿ ಸಕಾರಾತ್ಮಕ ಆಲೋಚನೆಗಳು ಮೂಡಲು ದಾರಿಯಾಗುತ್ತದೆ.
ಕೊನೆಯದಾಗಿ, ಯೋಗವು ನಮ್ಮ ಏಕಾಗ್ರತೆ ಮತ್ತು ಗಮನವನ್ನು ಹೆಚ್ಚಿಸಲು ಅತ್ಯುತ್ತಮ ಮಾರ್ಗವಾಗಿದೆ. ಚದುರಿಹೋಗುವ ಮನಸ್ಸನ್ನು ಒಂದು ಕಡೆ ಹಿಡಿದಿಟ್ಟುಕೊಳ್ಳುವುದನ್ನು ಇದು ನಮಗೆ ಕಲಿಸಿಕೊಡುತ್ತದೆ. ಇದರಿಂದ ನಮ್ಮ ನೆನಪಿನ ಶಕ್ತಿ ಹೆಚ್ಚುತ್ತದೆ ಮತ್ತು ನಾವು ಮಾಡುವ ಪ್ರತಿಯೊಂದು ಕೆಲಸವನ್ನು ಹೆಚ್ಚು ಆಸಕ್ತಿಯಿಂದ ಮತ್ತು ಯಶಸ್ವಿಯಾಗಿ ಮಾಡಲು ಸಾಧ್ಯವಾಗುತ್ತದೆ.

IN LOVING MEMORY OF OUR BELOVED ART TEACHER

MR. SHASHIKANTH V. PATTAR

It is with profound sorrow that we mourn the passing of our dear Art Teacher, Mr. Shashikanth Pattar, whose creativity, dedication, and gentle guidance touched the lives of countless students and colleagues.

A gifted educator and artist, Mr Shashikanth inspired young minds to express themselves with confidence and imagination.

Beyond the classroom, Mr Shashikanth was known for a warm smile, a kind heart, and an unwavering commitment to the school community. His passion for art transformed ordinary moments into extraordinary learning experiences.

Though he is no longer with us, the colours he brought into our lives and the lessons he shared will continue to inspire us forever.

We extend our heartfelt condolences to the bereaved family and pray that they find strength and comfort during this difficult time.

"ARTISTS LEAVE BEHIND MORE THAN ART, THEY LEAVE BEHIND INSPIRATION."

May the departed soul rest in eternal peace. Om Shanti.

A TRIBUTE TO MS. GITA CHABRIA

For many years, English for Class 1 was synonymous with Ms. Gita Chabria. With over a decade and a half of dedicated service as an English teacher, she touched countless young lives with her patience, warmth and unwavering commitment to education.

Today, though she is no longer with us, her legacy continues to live on in the hearts of her students, colleagues and all those who had the privilege of knowing her.

As we remember Ms. Gita Chabria, we offer our heartfelt respects to a beautiful soul who devoted herself wholeheartedly to shaping young minds.

May her soul rest in peace and may her memory continue to inspire all of us.
